May Kharacter Trait: Self-Control

We are working on identifying our letters, numbers, colors, shapes, days of the week and the months. We will say and identify all of these daily. We will be reviewing the letters the letters of the alphabet, numbers 0-30, all colors, all coins, stop sign, and all shapes. Please help them learn to identify all of these. We will read a story daily and begin working on our Language for Learning & Reading Mastery lessons along with math and handwriting skills. Please help your child learn how to spell and write his/her first/last name. Don't forget to read to your child daily. Thanks in advance for your help!

I ask that you return the folder daily. Please read the weekly letter carefully for upcoming events and activities. If you have any questions, please feel free to call me at 237-8302 (work) or 237-6185 (home).
